Subject: LAPD Statement

The LAPD and its dedicated officers have proven over the past two decades our ability to dramatically reduce violent gang and transnational crime through solid police work and strong community partnerships. The LAPD's professionalism, modeled throughout the world, safeguards the lives and property of the people we serve by enforcing the law with the utmost integrity and the highest professional standards. If an officer acts outside the law, it serves only to undermine the hard work and sacrifice that officers make everyday to keep the community safe. Our officers understand and embody these important principles and through their work make Los Angeles a great City.
